"Wedding & accommodation were here, guests who travelled, stayed & were delighted not to have to drive between venues, just walk. A great place to kick back and relax !!"

Sharon S (Mar 2012)

"Thankyou for making such a beautiful wedding!"

Laura and Daniel (wedding in Feb 2012)

"Ballina Beach Resort is an excellent wedding venue. The main advantages were location near the beach (where there is more privacy than other venues), high quality accommodation at the same venue as the function, high quality food, value for money, lovely gardens, pool and spa and the helpful friendly staff.

I recommend Ballina Beach Resort as an excellent wedding venue."

Ian M (March 2012)

"Everything went exactly the way I had hoped. Thank you to all your staff for a great reception.... We'll tell all our friends"

Michelle and Richard (wedding in Oct 2011)

"What first attracted us to Ballina Beach Resort was the excellent value for money. As we began to plan the finer details of the reception, the ease of contacting the event coordinators made it a very hassle-free experience. Anything we wanted was provided and the meals and cocktails were all delicious. Our guests had a fabulous celebration and we loved that we could finish of the fabulous evening with a bubble spa bath in the honeymoon suite. So thank you very much Ballina Beach Resort for providing such an excellent venue for our truly magical day!"

Sarah and Ben (wedding in Oct 2010)

"We chose Ballina Beach Resort for our wedding reception because we wanted to have both ceremony and reception at the same place. The surroundings were perfect and it was wonderful to have the beach right at the doorstep for photographs. The staff were especially friendly and helpful from the very first meeting. Ballina Beach Resort proved to be very professional with organising the entire wedding. I did not have to think of anything during the reception and had the most fantastic day. The whole day went by too fast and it was perfect! Thank you, I will never forget this experience."
